

MELCO BRAVO

If you are thinking of investing in embroidery production on a tight budget, the AMAYA BRAVO is a great place to start.

The BRAVO 16 needle professional embroidery machine offers businesses of any size powerful embroidery capabilities at an affordable price.

The BRAVO can embroider apparel, caps, bags, and a wide variety of textiles with beautiful quality. Based on the powerful AMAYA XT Embroidery machine platform, the BRAVO produces all the professional quality embroidery your customers will keep coming back to you for.

Personalized and embroidered goods are in demand and the BRAVO is built to produce a wide variety of products to meet these demands.

The BRAVO can embroider:

Shirts

Pockets

Caps

Jackets

Blankets

Pants/Jeans

Bags

Leather
